If you applied for, got approved and received \$40,000 or \$60,000 from the Federal Government's Covid Emergency Operating Loan Program with Settlement Investment Corporation and have not started repaying the loan portion, please contact Tina Brett at 1-800-661-9902 or text her new cell number, (780) 918-0050.

Failure to repay the loan portion will force Settlement Investment Corporation to deem your file as 'Uncollectable', close it and forward it to the Federal Government. You will most likely be held liable to repay the full amount you received.

Any outstanding balances on these loans will affect any future borrowing from SIC.
